## **NATSUME'S ADVENTURES TO GO TAKES PLAYERS ON AN EPIC JOURNEY**

*The PlayStation® Portable Title*

*Now Available Exclusively at GameStop*

**Burlingame, Calif., October 27, 2009** – Natsume Inc., a worldwide developer and publisher of family-oriented video games, announced today that its all-new strategy RPG *Adventures To Go* for the PlayStation® Portable system is now available exclusively at GameStop. It retails for an MSRP of \$29.99 and is rated E for Everyone by the ESRB.

In this humorous and innovative RPG, players take control of Finn Courtland and his band of misfits in their quest for fame and riches. Along the way, they just might have to save the world from the evil Arbitus and his band of demons. It'll take brains as well as brawn to win the day, though – the grid-based combat challenges players to think strategically and make the best use of each character's unique skills and abilities. And the strategy doesn't stop there! *Adventures To Go* provides a refreshing twist on the strategy RPG genre, offering gamers the opportunity to quickly and easily shape the game's dungeons and challenges to their own liking.

"*Adventures To Go* should be on every RPG fan's wish list for the holidays this season," said Hiro Maekawa, President and CEO at Natsume. "With its enchanting plot, delightful characters, and customizable dungeons that offer endless replay value, *Adventures To Go* is a fun, deep, and hilarious strategy RPG!"
