

NATSUME ANNOUNCES SPECIAL BUNDLES FOR *HARVEST MOON: SKYTREE VILLAGE* FOR 3DS!

Pre-Order A Cute Plush Bluebird or An Adorable Plush Bobcat!

Burlingame, CA. – Aug. 18, 2016 – Natsume Inc., a worldwide developer and publisher of family-oriented video games, has announced today special bundles that will be available this fall for ***Harvest Moon: Skytree Village***, the all-new Harvest Moon title for the Nintendo 3DS coming this October! The special bundles include a 5-inch custom Bluebird plush and a 12-inch Bobcat plush. Fans will be able to pre-order the bundles from the Natsume Amazon Store in the near future.

The special bundles will include the following:

Harvest Moon®: Skytree Village Bluebird Bundle

For a suggested retail price of \$39.99 USD, players will receive a retail copy of *Harvest Moon: Skytree Village* with a limited edition 5" plush Bluebird. Now have your very own source of Blue Feathers!

Harvest Moon®: Skytree Village Premium Bobcat Bundle

For a suggested retail price of \$49.99, fans will receive a retail copy of *Harvest Moon: Skytree Village* with a premium 12" Bobcat. This is the purr-fect pet!

"Harvest Moon fans not only love our high quality Harvest Moon titles, but also love collecting the charming plush we have produced over the years," said Hiro Maekawa, President & CEO of Natsume. "Any fan of the series knows that the blue feather plays a key role in the Harvest Moon world, so having a bluebird will be a must-have item for any Harvest Moon fan! And the Bobcat is a fantastic addition to the larger plush collections we introduced a few years ago."

In addition, Harvest Moon: Skytree Village will also be able to be purchased without the plushes at participating retailers or Nintendo's eShop for \$29.99 USD. Currently, [Gamestop](#) is accepting pre-orders for the title.

About Harvest Moon: Skytree Village (Nintendo 3DS)

Times have changed in the land known as the Oasis of the Harvest Goddess. Many people used to live in Skytree Village, and the land was lush and green. However, the power of the Harvest Goddess gradually began to wane, and the land became parched and dry.

With a completely new story, players will be challenged to restore the seven legendary Skytrees that make the town so iconic and bring power and prosperity to the land around them. Along the way, they'll meet a new cast of characters (with a few returning familiar faces!), alongside a brand new art style, new character models, and more.

With user-friendly tutorials, players will immediately be able to jump into the thick of things, customizing their farm by raising and lowering the land, creating rivers, ponds, and more. Upgraded tools will assist farmers in shaping the land more efficiently, and afterwards they can kick back and relax in their boat to do a spot of fishing! It won't be long before they'll need to weigh anchor to care for their newest herd animal: the Poitou donkey!

Key Features of *Harvest Moon: Skytree Village*:

- Play as a boy or a girl, woo bachelors and bachelorettes, and start a family!
- Completely new story with tons of interesting new characters.
- New crops and flowers to discover
- New fishing mechanics: expand waterways and catch rarer fish
- A full town with many residents, each with their own personalities and quirks.
