

HARVEST MOON
Seeds of Memories

A New Update for Harvest Moon: Seeds of Memories!

We are happy to announce a new update for Harvest Moon: Seeds of Memories with new features and animals! AND to celebrate this new update, we are offering Harvest Moon: Seeds of Memories for 50% for a limited time.

A "Collection" tab has been added to the Option menu. This new option helps you keep track of what you've harvested and caught. It also gives you hints on how to grow or catch what you're missing!

Brown Cows, Cotton Sheep, and Brown Chickens are here! Hunter has some new and unique animals in his shop! Take good care of them, and they'll produce unique, high-quality products!

Is your farm full? Talk to Hunter! Hunter's friend from out of town is looking for healthy animals! You can now sell your animals to a good home and care for some new ones.

Have you made all the recipes in the game? Well, now there are some new recipes! Cook up new recipes using products from the new animals!
