“We are happy to be able to bring the classic fun of *Harvest Moon* to Xbox One for the first time,” said Hiro Maekawa, President and CEO of Natsume. “With the launch of *Harvest Moon: Mad Dash* on Xbox One it helps us to fulfill our mission of “Make Everyone Happy” so that more people can experience the fast-paced puzzle action of the game.”

Harvest Moon: Mad Dash is available today for \$19.99 on Xbox One here: [HERE](#)

About Harvest Moon: Mad Dash

Go solo or take along a few friends in this fast-paced farming frenzy! Harvest, fish, milk, and more as you fulfil orders to complete each level! Things may start out easy, but you'll hit the beach, the farm, and even the Underworld as you progress through the game! Have you ever tried to grow crops with molten lava falling on them?! That and other obstacles await you as you and your friends try to clear all the levels to restore the broken lighthouse!

Key Features:

- Fast-paced action means quick decisions are key!
- Multiplayer madness requires communication to succeed!
- Take on farm, beach, Underworld, and Skyworld levels!
- Use Harvest Sprite Powers to unlock special support skills!

Harvest Moon: Light of Hope Special Edition Complete will be the next in the Harvest Moon series to launch on Xbox One when it arrives later this summer.
