NATSUME'S ADVENTURES TO GO GOES GOLD!

*The Strategy RPG On The PlayStation® Portable Serves Up Adventure
Made Your Way*

Burlingame, Calif., October 7, 2009 – Natsume Inc., a worldwide developer and publisher of family-oriented video games, announced today that its all-new strategy RPG *Adventures To Go* for PlayStation® Portable system has now gone gold. The game will be available exclusively at GameStop October 29th for an MSRP of \$29.99 and is rated E for Everyone by the ESRB.

In this humorous and innovative RPG, players take control of Finn Courtland and his band of misfits in their quest for fame and riches. Along the way, they just might have to save the world from the evil Arbitus and his band of demons. It'll take brains as well as brawn to win the day, though – the grid-based combat challenges players to think strategically and make the best use of each character's unique skills and abilities. The strategy doesn't stop there, though – *Adventures To Go* provides a refreshing twist on the strategy RPG genre, offering gamers the opportunity to quickly and easily shape the game's dungeons and challenges to their own liking.

"We can't wait to bring *Adventures To Go* to gamers," said Hiro Maekawa, President and CEO at Natsume. "It is a unique and charming strategy RPG. Players will enjoy its combination of strategic combat, charming characters, humorous plot, and customizable dungeons that add unlimited replay value. It's definitely a game that should be on the radar of any RPG fan!"
