

NATSUME RELEASES REEL FISHING II AND HARVEST MOON: BACK TO NATURE ON PLAYSTATION® NETWORK

Burlingame, CA, February 8, 2011 – Natsume Inc., a worldwide developer and publisher of family-oriented video games, announced today that *Reel Fishing II* and *Harvest Moon: Back To Nature* are now available for download on the PlayStation® Network. The games are rated E by the ESRB.

"These are two great PlayStation classics that deliver just as much fun today," said Hiro Maekawa, President and CEO at Natsume. "*Reel Fishing II* boasts the gorgeous settings and thrilling, realistic fishing action that have made the series such a long-running favorite. *Harvest Moon: Back To Nature* is loaded with colorful characters, fun activities, and action-packed minigames!"

Reel Fishing II is a highly-regarded entry in one of the best selling fishing franchises of all time. It still stands out as a deep, beautiful, and thoroughly realistic fishing simulation. With four different fishing methods, 70 types of fish, and more than 500 different pieces of tackle to experiment with, *Reel Fishing II* will have you hooked!

The first *Harvest Moon* game for the PlayStation, *Harvest Moon: Back To Nature* puts you in charge of your family's struggling farm. Can you bring it back from the brink of ruin and turn it into a flourishing farmstead? *Harvest Moon: Back To Nature* boasts more than 50 characters to help and befriend, tons of fun-filled minigames, and a bushel of festivals and events! Grow crops, raise livestock, and you might even start a farming family of your own!
