

## ***Harvest Moon: One World Complete is Available Now***

*The Complete Edition of Harvest Moon: One World is Exclusive to Nintendo Switch*

**Burlingame, CA. – August 13, 2024** – [Natsume Inc.](https://www.natsumestore.com), a worldwide developer and publisher of family-oriented video games, today released ***Harvest Moon: One World Complete*** for Nintendo Switch. The game retails for \$29.99 and is rated E for Everyone. The Complete Edition includes the base game and all DLC. Players who pre-ordered the game from [www.natsumestore.com](https://www.natsumestore.com) will receive a 6 inch Sasquatch plushie as a bonus.

“There is an amazing amount of content to explore in ***Harvest Moon: One World Complete***,” shared Hiro Maekawa, President and CEO of Natsume. “Players can explore six very unique areas and woo one of six different bachelors or bachelorettes with the added DLC, in addition to an array of new tools, animals and more.”

Take a trip around the world in the Complete version of this Harvest Moon title! The complete version is the full game of *Harvest Moon: One World* with all the DLC included right from the beginning! You'll ride camels across the deserts of Pastilla, venture deep into the snowy mountains of Salmiakki, and even visit a volcano near the cozy mountain town of Lebkuchen!

Can you imagine a world without cabbage, tomatoes, or even carrots? Believe it or not, that's the world you'll find yourself in at the beginning of *Harvest Moon: One World Complete*, as the Harvest Goddess, the queen of crops herself, has vanished...

However, before the Harvest Goddess disappeared from this world, she imbued the tiny Harvest Wisps with the knowledge of various seeds, thus ensuring the various fruits and vegetables of the world would not be lost. Using the power given to these Harvest Wisps, you'll unlock various seeds as you progress through the game! But the Harvest Wisps can be tricky to find, as they all appear at different times and places. You'll need to use your noggin to make sure you seek out as many of them as you can!

- Includes the full game and ALL the DLC!
- Explore 6 unique and colorful areas: the sprawling grasslands of Calisson, the gorgeous beaches of Halo Halo, the searing desert heat of Pastilla, the cozy hills of Lebkuchen, and the snowy mountains of Salmiakki!
- Play as a boy or a girl and woo one of 6 handsome bachelors and 6 beautiful bachelorettes, each with their own unique personality and backstory!
- Raise and keep animals such as cows, sheep, goats, and even reindeer!
- Use your Expando-Farm to easily travel from one area to another!

***Harvest Moon: One World Complete*** retails for \$29.99 and is rated E for Everyone. The game is available at [www.natsumestore.com](http://www.natsumestore.com) and other major retailers.

#### **ABOUT HARVEST MOON:**

The first game in the series was released in North America in 1997 and has continued to see a steady rise of popularity and players, making it one of today's most beloved franchises. *Harvest Moon* is revered for being a non-violent, family-oriented game for everyone, and there have been more than 30 games released in the series.
