Harvest Moon: The Lost Valley

Hiking your way through the mountains one day, you're caught in an unexpected snowstorm and barely find shelter with the help of a faint voice. When you awaken, you find and help a kindly Harvest Sprite buried under the snow, who tells you all of the seasons in the valley have vanished except for winter. To return all four seasons to the valley, you'll need the help of the villagers, the Harvest Sprites, the Harvest Goddess, and even the King of the Underworld!

- Plant crops
- Raise animals, such as cows, chickens, and sheep
- Customize the land
- Unlock the full potential of all seven Harvest Sprites, the Harvest Goddess, and Harvest God
- Foster relationships with locals
- Woo a future spouse, marry, and have a child

Harvest Moon: Skytree Valley

Times have changed in the land known as the Oasis of the Harvest Goddess. Many people used to live in Skytree Village, and the land was lush and green. However, the power of the Harvest Goddess gradually began to wane, and the land became parched and dry. - Play as a boy or a girl, woo bachelors and bachelorettes, and start a family!
- Completely new story with tons of interesting new characters!
